Portugal "The Mood"

Spring 2024 - Explore

LSSG4-187

Desirable for its many attributes, *Portugal* is the latest destination for our source of inspiration. From its *artistic tile work* to its *colorful streets*; it's all about the balance of *traditional materials* and *contemporary aesthetics*.

Watercolor and hand drawn techniques are key in lending a romanticized prettiness to our *painterly florals* and *summer brushstrokes*.

Our "Azul" vibrant blue color is pulled from the decorative *blue and white tiles* called "*azulejos*" present everywhere in Portugal and its islands. This plays an important part in the *Baroque-Rococo tile inspired prints* you will find throughout the collection.

LSSG4-187

The *intricate linear work* in stunning shades of blues offer up a new way to freshen up a *blue & white color story*.

Softly tailored knitwear serves as spring and summer outerwear. Blazers have proven their potential as iconic must-have items and are refreshed here by new silhouettes.

Along the structured line, the
spotlight continues to shine on all
collars: *shirt, polo, sailor and
notched.*

Openwork stitches, delicate irregular textures and soft fringe add *organic movement* and *femininity*.

Our new 100% silk, *square* printed scarves with *hand-rolled edges*, will elegantly accent any outfit.
