LFSC2-137

For our newest Fall collection, we focus on *slowing down and finding beauty in the simple*. Let's renew our interest in the outdoors...

Nature is the great unifier and *affirms our connection*, as we explore our symbiotic relationship with it.

Sophisticated texture blocking &
intersecting cables exude warmth
and cozy tactility.

Layer & cocoon our luxurious
knitwear in the open air — as a
sensual alternative to traditional
outerwear.
